

AFRICA

PRAYERS:

- Please pray for the committee formation, as all the leaders who have been appointed now have to fill their teams with the right people to get the job done. There are 14 committees and 8-10 subcommittees for a total of more than 100 people. We are praying that all committees will be fully together by the middle of May.
- Pray for the pastors conference happening on June 29-30 with Jose Zayas and PJMaduri (two of our long-time partner evangelists). We hope to minister to 1,500 pastors at that conference. In the following weeks, we hope to see 100,000 individual believers trained and commissioned to share Christ through the witness of their lives with family, friends, coworkers, and people they do business with. It is a bodacious goal, but we serve a big God! At the conference, we will also give the pastors all the grassroots publicity materials (banners, festival invitations, and posters).
- Right now, in Nairobi, the life of the city is being disturbed by demonstrations every Monday and Thursday. Please pray for the peace of the city and that the political rivals who are driving the situation will reconcile and call for peace.

ASIA

PRAISES:

- Grateful for the invitation from China's State Administration of Religious Affairs (SARA) and the China Christian Council (CCC) for Andrew and the team to continue visiting China.
- In March, there was a large Movement Day conference in Dubai with delegations from India, Pakistan, Jordan, Dubai, and Syria. It was a great opportunity for leaders to connect.

PRAYERS:

- LPA has been blessed with wonderful relationships with the leaders of SARA and the CCC. Currently, many of these leaders have been moved into new positions. Levi and Xiuyu are scheduled to be in Shanghai, Nanjing, and Beijing, May 11-22. Pray for favor as they develop relationships with the new leaders and seek support for Andrew, Wendy, and a team to come in December.
- Groundwork is being laid for Iraq to host a Festival in 2024. Ministering to the pastoral leaders and women is the hope. Baghdad, the city being considered, has a population of 9 million people with only eight evangelical churches. Three of the eight churches are "silos," operating in isolation from the other five. Pray for all the churches to sit under the Lordship of Christ and extend love and forgiveness to one another to restore unity within the Church and operate from a position of strength united.

DIGITAL EVANGELISM

PRAISES:

- Ongoing Impact—This year, through our digital evangelism in English and Spanish...
 - 335 million people reached with Gospel ads
 - 3.7 million Gospel presentation views
 - 709,000 indicated decisions for Christ
 - 75,000 enrollments in email discipleship
- Special Campaigns Going Strong...
 - Gospel videos from Andrew and Wendy Palau are being sent to millions each week and continuing to receive a strong response of indicated decisions!
- Strategic Partnerships
 - Through our partnership with Power to Change, we are utilizing messaging technology and mentors to correspond 1-on-1 with decision-makers, encouraging them to continue to follow Jesus. We've witnessed firsthand as seekers become not only followers of Jesus but sharers of the Gospel.
 - Our partnership with Gloop allows us to match US seekers and decision-makers directly to members of local churches near their zip codes for one-to-one conversations to explore faith in Jesus.
 - Through our partnership with YouVersion, we currently host 33 reading plans with subscriptions from 269,312 people. A key aim is to funnel decision makers right to the Bible app where they can access God's word in their native language, subscribe to plans with notifications to be in the Word daily, and even search for a local church as YouVersion rolls out their new local church feature.
 - "A Lasting Legacy," a new YouVersion plan about Luis's life, includes clips from "Palau," the movie, and coordinates with a discussion guide churches can use to inspire evangelism through the story of Luis' on-fire life.
 - "It Is Finished," our new Easter and Lent YouVersion devotional, broke our in-house record with 7,390 subscriptions just since Easter. We are so pleased to be able to direct our online community to these rich, biblical resources.

PRAYERS:

- U.S. Campaign—Our special US-targeted Gospel campaign, in partnership with Gloop, has helped connect over 4,600 decision-makers to volunteers at nearby churches. This is an exciting opportunity to bridge the gap between the digital world and the local church. Please pray the Holy Spirit moves people to respond to the Gospel ads and for enduring fruit as people build lasting relationships with churches in their communities.
- Festival Campaigns—For the first time, we are not only saturating a festival region through digital Gospel ads but also connecting online decision-makers with festival

volunteers in the weeks leading up to the Greater Klamath CityFest. Please pray that the entire region would be impacted by the Gospel and that many seekers would be led to Christ, form meaningful connections with volunteers, and come experience God firsthand at the festival on May 27th.

- Evangelism Training for Churches—We've been given the opportunity to create a training series for churches that are receiving spiritual seekers and explorers through our partner, Gloop. We will strategically curate content from prominent and diverse voices in evangelism, equipping and inspiring local churches to adopt the compassionate, welcoming-the-stranger posture of Jesus, and to take evangelistic action in their regions.
- For Andrew's New Campaign to Reach Men—Please pray over the editing and advertising strategy for Andrew's new series called, "Fully Alive." Let's pray that many young men around the world accept Christ through it and get on the path to abundant life!
- For Gospel Visitors—Please pray for God's Spirit to move as (on average) 28,000 people per day visit one of our Gospel presentations to read the Good News. God does not want anyone to be destroyed but wants everyone to repent; pray the Holy Spirit would prepare the way and draw many to give their lives to Christ—that they would feel His loving presence as they pray, all across the globe.
- For Decision-Makers—Please pray for decision-makers to take the next vital steps in following Jesus—to receive digital discipleship and to get planted in a local church. Let's pray for protection over them and their decision—that nothing and no one would draw them away from following Christ.
- God's wisdom amidst opportunities—Please pray for God's guidance, favor, and grace in the ever-changing digital landscape as we strategically grow our digital evangelism reach. May our team be fruitful and strengthened as we serve together! And may we have God's wisdom as we prioritize what God has for us in this next season.
